7. The sixty (60) days for receipt of the prompt determination expired with no communication from the Internal Revenue Service.
8. On September 15, 2020 Trustee received a letter from the Internal Revenue Service indicating that they received the return and request for prompt determination on July 20, 2020 when their office reopened post Covid, Request for Prompt Determination was refused due to noncompliance, and the tax return needed to be resubmitted on a partnership tax form.

9. All information in Trustee's possession indicated that the Debtor was a single member LLC with pass through income filing on a personal tax return Schedule C.
10. In light of Trustee's lack of any historic evidence of a partnership, a request for reconsideration response letter with a request for prompt determination were mailed September 22, 2020 including with a signed statement of the LLC long term tax preparer, and pre-petition tax returns evidencing single member LLC.
11. On October 13, 2020 Trustee received a letter from the Internal Revenue Service indicating that the 2nd Request for Prompt Determination was not a valid request since the IRS and Trustee did not agree on the type of entity.
12. Trustee called the Internal Revenue Service to determine the status of the return and length of time it will take to process the matter.
13. Trustee was advised that the IRS Processing Service Center would review the return in the ordinary course which was 6 to 8 weeks pre-Covid for paper returns.
14. Trustee does not know if the return will be reviewed in the former customary time frame, and anticipates delays.
15. Trustee will not be filing Trustee's Final Report until the Internal Revenue Service has reviewed and accepted the tax return.
